

WHY CUREHEALTH?

We're your partner -
not just a supplier.

A physician-exclusive peptide
program built to be verified,
stocked, and grown alongside
your practice — not just shipped
and forgotten.

01| VERIFIED QUALITY

- US

U.S. Manufactured

Produced in domestic facilities with full batch traceability, start to finish.
- 3P

Third-Party Tested

Independent labs verify purity and potency on every product line.
- COA

COA With Every Batch

Documentation ships with every order - upon request.
- CG

cGMP Compliant

Manufactured to current Good Manufacturing Practice standards.
- FORM

Extensive, Growing Formulary

One of the industry's broadest peptide catalogs, expanding regularly with new compounds and blends.

02| BUILT FOR YOUR CLINIC

- RX

Clinic Exclusive

Physician-verified accounts only — never sold direct to consumers.
- OVN

Overnight Express Shipping

Orders on your shelf fast, so patient protocols don't wait.
- INV

Reliable Inventory

Consistent stock levels across the catalog - no chasing backorders.
- NAT

Nationwide Distribution

Coast-to-coast fulfillment built for multi-location practices.
- PAY

Fast, Secure Electronic Ordering

Order forms and payments processed online - encrypted, fast and paperwork-free

03| A PARTNER IN GROWTH

- AM

Dedicated Account Manager

One direct point of contact who knows your practice by name.
- WS

Wholesale Pricing

Margin structures built to support a growing clinic, not squeeze it.
- PL

Private Label Solutions

Build a branded line under your own clinic's name.
- MKT

Marketing Support

Patient-facing materials and tools to help your program grow.
- R&D

25+ Years of Bioscience Innovation

A dedicated research team behind the scenes, developing tomorrow's product solutions.

GETTING STARTED — THREE STEPS TO YOUR FIRST ORDER

01

Apply for an Account

Submit your clinic and practice information for wholesale review.

02

License Verification

We confirm NPI and licensure to activate your clinic-exclusive access.

03

Meet Your Account Manager

Your dedicated contact sets up pricing, ordering and your first shipment.

INTL

Now Expanding Internationally. The trust we've built with clinics nationwide is the same standard we're extending abroad. As demand grows beyond U.S. borders, CureHealth Peptides is expanding its partnership model internationally — bringing U.S.-grade manufacturing, verified compliance, and dedicated account upport to a growing network of practitioners worldwide.
